

## Safe Passage needs volunteers for two projects

YARMOUTH — Safe Passage is seeking volunteers for two major summer projects in Scarborough and Yarmouth.

The first project is volunteering as a tour guide at Coastal Living Magazine's Idea House, located at Pine Point in Scarborough. Volunteers can sign up for daily shifts from Thursdays to Mondays, July 17 through Labor Day, to give tours of the

home and answer visitors' questions about the house and Safe Passage.

There will be an information session for all available volunteers on either July 14 or 15 (to be determined). Proceeds from the tours will benefit Safe Passage.

The second project is helping to move the organization to its new offices at the Sparhawk Mill in Yarmouth.

Manpower and trucks are needed for the move, tentatively scheduled for late July or early August. Helpers will move furniture and larger items.

Safe Passage helps poor children living around the massive Guatemala City Dump. For more information or to volunteer, contact Alexandra at 846-1188 or [alexandra@safepassage.org](mailto:alexandra@safepassage.org).
